

Minnesota Girls Hockey Players, 1970-1983

The following women were confirmed through contemporary sources to have played youth ice hockey in Minnesota between 1970 and 1983. As with the names from the 1917-1933 period, this list is vastly incomplete: in some cases we have only 3 or 4 names from leagues we know had more than 100 girls, and in 1978 alone we know nearly 1000 Minnesota girls were registered with MAHA, in paper files we hope to someday find. Newspaper sourced spellings and nicknames may be incorrect, and team appearances are likely incomplete. If you know someone who is not on this list, we'd love to add them to our database.
